Work Experience

Small Business owner - Paint by Teri
August 2020 - December 2021

I had decided to turn my lifetime passion in art into reality and started my own company. It is a chance to use all my knowledge gained throughout the studies from Entrepreneurship, Innovation and customer service.

August 2018
Visit Lillebaelt (Fredericia)

I was part of team conducting field research using Neuro Marketing tools. My responsibilities included making interviews using Eye tracking technology, analysing the results, and suggesting a suitable marketing strategy.
